

Sidequest Starter Pack

Made for juniors · Ages 13+

No money. Nothing to buy or sell. No leaderboard.

One challenge a week. 16 weeks. Finish 8 and you're a Season Finisher, with a certificate on your phone.

Start in three steps.

1. Check in together.

Sidequests are made for ages 13–15 and open to anyone 13+. For 13–15-year-olds, a parent or guardian confirms first.

2. Pick up this week's quest.

The real weekly list drops with Season 01. Write the challenge on a weekly card. There is one challenge a week for 16 weeks.

3. Try it. Mark it done.

Keep photos and stories on your phone. Only “quest done” reaches Beyond. Finish 8 weekly challenges for your Season Finisher certificate on your phone.

A note for guardians

There is no money, buying, selling or leaderboard in Sidequests. Photos and stories stay on the player's phone; only the completion signal reaches Beyond.

Joining keeps an age band, country string and timestamp. Date of birth and email are discarded after the check. Read the current joining details at beyondgame.io/parents.

Curious, not reckless.

Daylight only. No roads, rail, water, rooftops or building sites. Ask permission and get adult help with tools.

Team up only with people you already know: both type the same six-character code. Skipping never costs anything.

Keep personal information off cards, tags and stickers.

Weeks 1–4

Category prompts only – not the Season 01 quest list. Write in the real challenge when it drops.
